1. In rule 92A of the said Rules,—

(i) in sub-rule (*2*) the word "or" at the end of clause (*a*) shall be omitted, and after clause (*b*) the following clauses shall be added, namely:—

"(*c*) transfer any security, or create or transfer any interest in a security, to or in favour of any such person;

(*d*) transfer any security from a register in British India to a register outside the sterling area, or do any act which is calculated to secure, or forms part of a series of acts which together are calculated to secure, the substitution for any security which is either in, or registered in, British India of any security which is either outside or registered outside, the sterling area.";

(ii) after sub-rule (*3*), the following sub-rule shall be inserted, namely:—

"(*3A*) Where at any time the following conditions are fulfilled in the case of any individual, namely, that he is outside the sterling area and that either—

(*b*) he is, by virtue of a direction given by the Reserve Bank of India under sub-rule (*4*) or under sub-rule (*5*), to be treated for the purpose of this rule as resident outside the sterling area,

the Reserve Bank of India may give a direction to any bank that, until the direction is revoked, any sum from time to time standing to the credit of an account of that individual at any office or branch of that bank in British India specified in the direction shall not be dealt with except with permission granted by the Reserve Bank of India.";

(*2*) Where in relation to any such goods the said period has elapsed and the goods have not been sold and payment therefor has not been made as aforesaid, the Reserve Bank of India may give to any person entitled to sell the goods, or to procure the sale thereof, such directions as appear to the Reserve Bank to be expedient for the purpose of securing the sale of the goods and payment therefor as aforesaid, and, without prejudice to the generality of the foregoing provisions of this paragraph, may direct that the goods shall be assigned to the Central Government or to a person specified in the directions.

(*3*) Where any goods are assigned in accordance with sub-rule (*2*), the Central Government shall pay to the person assigning them such sum in consideration of the net sum recovered by or on behalf of the Central Government in respect of the goods as may be determined by or on behalf of the Central Government.

RESOLUTION—No. 3803A.

Calcutta, the 9th September 1942.

His Excellency the Governor of Bengal and his Council of Ministers have heard with deep regret of the death in Darjeeling on the evening of September the 8th of Sir Edmond Nicolas Blandy, K.C.I.E., C.S.I., I.C.S. (retired), Chairman of the Public Service Commission, Bengal.

Sir Nicolas Blandy joined the Indian Civil Service in 1910, and in a long and distinguished career he held with honour many posts of the highest responsibility in the public service including those of Secretary to the Government of Bengal in the Finance Department, Member of the Board of Revenue, and finally that of Chief Secretary, from which he retired in March of this year when he was appointed Chairman of the Public Service Commission, Bengal. He was made a C.I.E. in 1933, a C.S.I. in 1939 and a K.C.I.E. in 1942.

Generous in appreciation and wise in counsel, Sir Nicolas combined in an exceptional degree the capacity for hard work with shrewd common sense and an immediate appreciation of essentials. His work was throughout informed by the profound humanism which, in his private life, displayed itself in the wide range and extent of his contact with his fellow-men. Amongst his other activities he was an enthusiastic Freemason and throughout his service he associated himself closely with many of the lodges in Bengal.

His Excellency the Governor and his Council of Ministers desire to place on record their appreciation of the valuable services which Sir Nicolas Blandy rendered both to the Government and to the people of Bengal and to convey to Lady Blandy and her family their deep and sincere sympathy in the loss which they have sustained.

RESOLUTION—No. 3836A.

Calcutta, the 11th September 1942.

His Excellency the Governor and his Council of Ministers have heard with deep regret of the death in Calcutta of Mr. John Younie, I.C.S., on the 9th September 1942. Mr. Younie spent the greater part of his twenty-six years in India as a District and Sessions Judge in various districts in Bengal, and the reward of distinguished service came to him by his appointment early this year to the important post of Secretary to Government in the Judicial Department and Legal Remembrancer, which he held until the day of his death.

Mr. Younie was distinguished by his quiet devotion to duty; inclined by disposition to efface himself he earned the respect and admiration of those who were privileged to know him by the richness of his intellectual interests and his breadth of outlook, qualities which eminently fitted him to represent the highest traditions of British Indian justice.

His Excellency the Governor and his Council of Ministers desire to record their profound regret at this sudden loss of an officer of outstanding merit, and to convey to Mrs. Younie and her family a sincere expression of their sympathy.

NOTIFICATION.

No. 428-H.—10th September 1942.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

New Delhi, the 29th August 1942.

No. 147-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

Bengal.

Abul Khayer Sannamat, constable No. 11, Midnapore district (deceased)—On the night of the 8th June 1942 constable Abul Khayer Sannamat was on patrol with a chowkidar. Seeing a suspicious individual among some women folk, he challenged the man and discovered that he was an absconder whom the Police were anxious to arrest. The absconder struck him with a lathi and the women joined in the attack. The constable took the chowkidar's spear and directed him to call the Assistant Sub-Inspector. When the latter arrived, the constable was lying unconscious with severe injuries to his head, and he later died in hospital. The absconder was found dead with an abdominal wound, presumably caused by the spear; and it was evident that in defending himself and in attempting to effect an arrest the constable had wounded the absconder before he himself was beaten unconscious. Constable Abul Khayer Sannamat showed intelligence in detecting this absconder and great courage in attempting to arrest him despite an attack by numerous assailants belonging to a criminal tribe who are notorious for their violence and brutality.

This award is made for gallantry under regulation d(*i*) of the regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police.

J. G. LAITHWAITE,
Private Secretary to H. E. the Viceroy.

By order of H. E. the Governor,

A. DEC. WILLIAMS,
Secretary to the Governor.

RESOLUTION—No. 2239MEDL.

Calcutta, the 11th September 1942.

With their resolution No. 315Medl., dated the 2nd February 1937, the Government of Bengal promulgated the Statutes regarding the General Council and State Faculty of Ayurvedic Medicine, Bengal, for the restoration and development of the Ayurvedic system of treatment with special reference to the question of teaching of that system under proper supervision and control. The Ayurvedic Council and Faculty came into existence on the 14th April 1937. In section 9 of the Statutes the term of office of the members of the Council was fixed for three years. The reconstitution of the Council was, therefore, due in April 1940. But owing to various difficulties, *e.g.*, the delay in the registration of Ayurvedic practitioners, etc., the term of office of the Council had to be extended from time to time. Certain proposals were subsequently made to Government for the modification of the constitution of the Council, and as it was considered desirable that the next Council should be formed according to the modified constitution, if any modification was found to be necessary after examination of those proposals, the term of office of the members of the Council had to be further extended. The different proposals for the revision of the constitution of the Ayurvedic Council were examined by Government, and after considering the views and suggestions of the Ayurvedic Faculty and also of eminent Ayurvedic practitioners and associations the Government of Bengal in their Resolution No. 2048Medl., dated the 13th August 1942, were pleased to make certain modifications in section 2 of the Statutes referred to above. On further consideration the Government of Bengal are pleased to cancel the said Resolution and to finally direct that section 2 of the Statutes referred to above shall stand thus—

"2. Constitution.—The said Council shall consist of the following members, namely:—

(*a*) A President to be appointed by the Provincial Government from among the members of the Council and a Vice-President

to be elected by the members of the Council from amongst themselves, subject to the condition that one of them must be a registered Ayurvedic practitioner.

(*b*) One registered Ayurvedic practitioner from each of the five divisions of Bengal elected by the electors of registered Ayurvedic practitioners (as defined in section 28) from each division.

(*c*) One member, who may or may not be an Ayurvedic practitioner, nominated by the Calcutta Corporation.

(*d*) Four Ayurvedic practitioners of Calcutta elected from the Calcutta electorate of registered Ayurvedic practitioners (as defined in section 28).

(*e*) One member, who may or may not be an Ayurvedic practitioner, nominated by the Calcutta University.

(*f*) One member, who may or may not be an Ayurvedic practitioner, nominated by the Dacca University.

(*g*) One registered Ayurvedic practitioner, representing each Ayurvedic College with Hospital affiliated to the Council up to the standard of the highest examination, to be elected by the (*i*) members of the Governing Body, (*ii*) Teachers and (*iii*) Physicians of the institution.

N. G. Roy,

Controller of Prices, Bengal.

GOVERNMENT OF BENGAL.

Office of the Director of Civil Supplies, Bengal.

Calcutta, the 9th September 1942.

PRESS COMMUNIQUE.

The prices of Kerosene Oil and Petrol were last revised on 25th May 1942. As a result of increase in the cost of transport for Kerosene due to extra railway freight involved in meeting east coast requirements from the west coast of India, increase in cost due to the payment of premium under War Risks (Factories) Insurance Scheme and of the cessation of the supply of over 75 per cent. Inferior Grade Kerosene Oil from Burma necessitating import from other foreign countries, the Government of India have authorised an increase in prices of Kerosene Oil with effect from the 5th September 1942. The Calcutta City prices have accordingly been revised as set out in the order below:—

ORDER.

Orders and Notifications by the Governor of Bengal, the High Court, Government Treasury, etc.

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 465-H.—17th September 1942.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

New Delhi, the 10th September 1942.

No. 154-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

Bengal.

Albert Joseph Lashmar, Station Officer, Calcutta Fire Brigade, Calcutta—On the 20th July 1942, a fire broke out in a building in Radhabazar Street, Calcutta, as the result of a number of celluloid films igniting. Station Officer A. J. Lashmar was one of the party sent to deal with the conflagration, and on arrival he found that two men, who appeared to have jumped or fallen from the verandah of the first floor of an adjoining building, were lying unconscious in a passage way in the structure which was actually on fire. Disregarding the flames, smoke and falling debris, Station Officer Lashmar went to their rescue, although he was fully aware of the possibility of more films igniting and of the danger that the petrol tank of a car in the building might burst and throw burning petrol over him. After rescuing one man, he went back a second time and rescued the other. His conduct in twice exposing himself to great danger was an act of very considerable gallantry, and his promptness and courage resulted in the saving of two lives.

This award is made for gallantry under Regulation d(*i*) of the Regulations governing the grant of the Indian Police Medal.

J. G. LAITHWAITE,
Private Secy. to H. E. the Viceroy.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(*2*) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

In exercise of the powers conferred by rule 81A of the Defence of India Rules and in supersession of the order of the Government of India in the Department of Labour, dated the 6th March 1942, the Central Government is pleased to make the following Order, it being necessary to do so for securing the efficient prosecution of the War, namely:—

(*i*) No person employed in any undertaking shall go on strike in connection with any trade dispute without having given to his employer within one month before striking not less than fourteen days' previous notice in writing of his intention so to do.

(*ii*) No employer of any undertaking shall lock-out his employees in connection with any trade dispute without having given to his employees within one month before locking out not less than fourteen days' previous notice exhibited prominently in his undertaking, of his intention so to do, provided that no such notice shall be necessary while a strike exist in the undertaking, but a notice of the lock-out shall be sent within three days to such authority as may be specified by the Provincial Government either generally or for particular areas or particular classes of undertakings.

(*iii*) When any trade dispute has been referred to a Court of Inquiry or a Board of Conciliation under the Trade Disputes Act, 1929 (VII of 1929), or for conciliation or adjudication under an order made under rule 81A of the Defence of India Rules, no person employed in any undertaking concerned in the dispute shall go or remain on strike and no employer in any undertaking concerned in the dispute shall lock-out or continue to lock-out his employees, during the period from the making of the reference until the expiry of two months after the conclusion of the proceedings upon such reference.

(*iv*) Sub-rule (*5*) of rule 81A of the Defence of India Rules shall apply to the interpretation of this Order.

H. C. PRIOR,

Secy. to the Govt. of India.

PRESS NOTE.

Lock-outs without notice illegal.

Lock-outs without fourteen days' notice have now been made illegal under an order issued by the Government of India.

An earlier order issued on 6th March 1942, under rule 81A of the Defence of India Rules made strikes without notice illegal. It was not at the time considered necessary to apply the order to lock-outs, but it has always been the intention of the Government to treat strikes and lock-outs on the same terms.

As rule 81A enables orders to be passed both in respect of strikes and lock-outs, the original order has been replaced by a new one which makes both strikes and lock-outs illegal unless fourteen days' notice is given or until two months have elapsed after the conclusion of conciliation or adjudication proceedings.

Where however a strike has been started in an undertaking, no previous notice of a lock-out is necessary. The employer has in that case to notify prescribed authorities of the lock-out within three days.
